COME JOIN THE CIRCUS This summer, the 2010 Big Top Tour of Circus Smirkus, the country's only traveling youth circus, will return to the shores of Freeport, Maine on Thursday 8/5 and Friday 8/6 for four shows that combine the best of traditional and contemporary circus styles.

Over 3,000 circus goers will receive a free copy of the big, fun-filled souvenir Playbill, packed with photos, cast and coach info, games, puzzles and tidbits relating to the 2010 Tour. Its pages get a thorough reading before the show, during intermission and back home, giving you a great opportunity to showcase your company in our Freeport Playbill.

Your name will be associated with Merriconeag Waldorf School and Circus Smirkus. With an ad in our Playbill, you can be part of the great

Freeport Smirkus tradition.
