

## Tuition Support Auction March 31, 2012

### Sponsorships & Donations

**Merriconeag Waldorf School** serves 240 students from across southern Maine. The early childhood and elementary school are located in Freeport; the high school is at Pineland Farms in New Gloucester. Waldorf schools seek to educate the whole child through the hands, head, and heart. The curriculum is physically engaging, intellectually stimulating, and emotionally rewarding.

The proceeds from our Auction are used to help over a third of our families afford a Waldorf education. Donations and sponsorships from local businesses support not just a school, but an entire community that values a creative, engaging, and nurturing education. By supporting the Auction, your business will benefit from our community's patronage. Please join hands, head and heart with Merriconeag Waldorf School to make this unique, holistic education accessible to anyone who seeks it.
